

DRIVING ASSESSMENTS

Companies employing drivers, having a number of accidents over a short period of time, are being asked to undergo an approved Driving Assessment. It is now common for an Insurance Company to ask for a Driving Assessment, as part of the induction process.

FORS Standards state:

“Refresher training to ensure learning objectives and skills are fully embedded”
 “Remedial training to rectify any deficiencies identified through reported collisions or previous training”

Areas covered include

Full Daily Walk Round Check

Practical Driving Assessment

Full Feedback Session

with a written report from AIM Commercial Services
