

## Tachograph Analysis Services

We offer a comprehensive, cost effective and confidential digital and analogue tachograph analysis service tailored to your companies requirements. Our printed reports can alert your company to persistent infringement of drivers hours regulation(s), which will help you to operate more efficiently and within the law. We can provide support services in the form of bespoke driver infringement policies and relevant DCPC training as well as assistance in the event of legal action being taken against companies and individuals.

### Sample Reports Available

- Driver Infringement Letter
- Driver Activity Reports
- Missing Mileage Report
- Working Time Directive - detailed summary and reports

Reports are available in PDF format and can be posted, emailed direct to the person in charge or they can be delivered in person by a competent member of our tachograph division, who will explain the infringements, discuss any problems and if necessary to arrange a full driver infringement meeting.

Supplies - comprehensive stocks held by us at all times

- Digital Tachograph:- printer rolls, download keys etc.
- Tachograph Charts
